**Subject:** ER RSOP Mod 2 Request Approval

Steve Gunderson and Mark Aguilar:

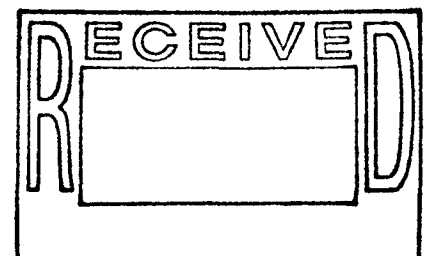

The U.S. Department of Energy Rocky Flats Project Office is requesting approval from your respective agencies regarding the ER RSOP Modification 2. Page changes were made on the document, and those changes were provided to your respective staffs at the Documents Meeting on Thursday, July 22, 2004.

This e-mail will serve as the Administrative Record documentation for the ER RSOP Modification 2.

Thank you,

Norma Castaneda
